

SAINTCON

Student Group Agreement Form

SAINTCON 2026 · October 27-30, 2026 · Utah Valley Convention Center, Provo, Utah

STUDENT GROUP PROGRAM OVERVIEW

The purpose of this program is to provide opportunities for students to participate in the STEM-based programs and activities provided at the SAINTCON cyber security conference. This event is held **October 27-30, 2026** at the Utah Valley Convention Center in Provo, Utah.

Student Group participation has been an informal process for SAINTCON since 2015 and has seen participation from several school districts including those as far away as Idaho.

AGREEMENT

This Student Group Agreement (the "Agreement") is entered into between _____ ("Organizer") and the UtahSAINT Organization ("SAINTCON") a 501(c)(6) non-profit, as of _____, 2026 ("Effective Date").

SAINTCON agrees to provide to the Organizer deeply discounted tickets appropriate for student attendance in the SAINTCON conference event. Tickets may be used for students and educators registered as part of the group and provide full conference access to all aspects of the conference.

Initial each statement below.

- _____ Organizer understands that purchased tickets in this program are non-refundable after purchase.
- _____ Organizer understands that tickets provided by this program are non-transferrable outside of this program's intentions.
- _____ Organizer understands that the Organizer is responsible for managing all costs and arrangements for transportation, lodging, meals and other costs associated with the Group's involvement in the SAINTCON event.
- _____ Organizer understands that the Organizer is responsible for acquiring and retaining all appropriate permission forms without any involvement from SAINTCON.
- _____ Organizer understands that some activities requiring the signing of an additional waiver at SAINTCON, for example "Los Santos Escape Challenge," are not covered by permission forms and students may only spectate.
- _____ Organizer understands that some organized after-hours activities may not be suitable for student involvement, and Organizer agrees to review the details of all after-hours events before allowing student participation. Official disclosures for each official event are available on the saintcon.org website.
- _____ Organizer understands that the Organizer is responsible to provide, at a minimum, one (1) adult for supervision of every ten (10) students in the group, and agrees to also comply with the Organizer's own policies for student travel.
- _____ Organizer understands that the maximum size of our group cannot exceed twenty-five (25) including adults providing supervision.
- _____ Organizer understands that in order to participate in this program the group must attend a minimum of two (2) days. This requirement is to ensure that resources invested in this program are appropriately utilized and not just limited to a few hours of involvement.

Organizer understood and agreed,

Authorized Signature

Printed Name and Title

LIMITS ON GROUP SIZE AND DISTRIBUTION

The requirement for group size limits creates fairness for other schools/districts to also participate in the program, and limits the financial impact to SAINTCON and the impact it has on other attendees participating at full cost. We thereby limit any organized group to 25 people maximum. We require that the ratio of students to educators be no more than 10:1.

STUDENT PASS OPTIONS

Two options for student passes are available: a **STUDENT DELUXE PASS**, which includes an electronic badge, MiniBadge, stickers, t-shirt, and other conference materials provided through normal registration; or a **STUDENT BASIC PASS**, which includes a plastic badge for entry and a conference t-shirt. Both options provide full conference access to all content, contests, communities, and events. Current costs associated with each pass can be found at saintcon.org/financial-aid#students. We will require the Organizer to choose a single student-pass option, BASIC or DELUXE, and that the choice will apply to all attendees in the group.

HOUSING OPTIONS

There are several local hotels with discount rates associated with the conference. In the event you are traveling far enough to require an overnight stay, we encourage you to find hotel options in the Provo area. For participating hotels, please visit our website.

PAYMENT

SAINTCON will require payment, or a PO to be issued for payment, prior to registration codes being released. Payment methods will only include: payment by check through a PO process, or by credit card payment which will include any processing fees.

REGISTRATION

The Organizer will use the provided registration codes to register each participant in the conference registration system prior to the beginning of the conference. Registration changes will be handled at the conference center upon check-in but must be used by group participants.

If you have questions regarding involvement, please contact us at: contact@saintcon.org
